

2024 Key Performance Indicator Highlights

WBCSD's Forest Solutions Group (FSG) is the global platform where leading business in the forest products sector build and share solutions to sustainable development. FSG's mission is to grow an inclusive circular bioeconomy that is rooted in thriving working forests. As a sign of shared commitment, members of FSG adhere to Membership Principles & Responsibilities, and report annually on a set of Key Performance Indicators (KPIs) to track progress on the commitments made in the Forest Sector SDG Roadmap.

This infographic shows a subset of FSG's [2024 KPI results](#), based on 2023 data.

COMMUNITIES

81% of supplier code of conducts had a **provision on minimum wage**
